

S&P GLOBAL PLATTS GLOBAL ENERGY AWARDS

December 12, 2019 | Cipriani South | New York, NY

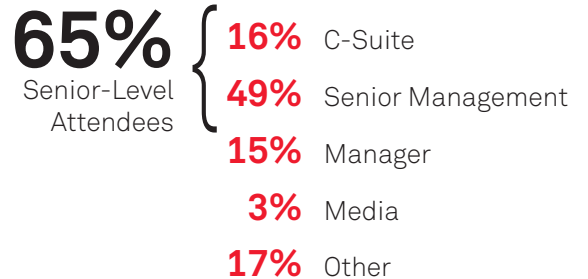

The who's who in energy will be at the S&P Global Platts Global Energy Awards

This is an outstanding and influential group of key decision makers who are notoriously hard to reach. The 21st annual Global Energy Awards will be held December 12, 2019 at Cipriani South in New York City. Insight magazine, with your company profile, will be hand delivered to the attendees the night of the event.

Be the ultimate winner at the Global Energy Awards

As a finalist of the Global Energy Awards, you have an opportunity to showcase your brand in front of the industry's top executives. An integrated marketing package puts your brand on display in a premier publication that is distributed to the top senior leaders in the energy industry as well as on-site at the Global Energy Awards.
