

S&P GLOBAL PLATTS GLOBAL ENERGY AWARDS

1. Do only Platts customers receive Awards?
 - a. No, the Awards are open to all companies.
 - b. Platts, nor the event sponsors, have any vote in selecting the winners. The impartial panel of independent judges selects winners solely based on the merits presented in the nomination.
2. How much does it cost to nominate?
 - a. It is free to nominate.
3. Do I have to attend?
 - a. No; however we do encourage you to send a representative should your entry be awarded on stage. It provides an opportunity for your company to be showcased among the best of the best in the industry.
4. Our company does not disclose financial information, can I still nominate?
 - a. All information submitted is confidential. The judges understand that some companies will withhold sensitivity information like profits. In those instances, we suggest quantifying information as much as possible, providing for example, increased market share, overall revenues, costs savings, growth percentage of profit or revenue and customer growth and/or retention.
5. What category should I nominate my company for?
 - a. You can contact us at any time within the nomination period to get category recommendations or help with your nomination.
6. Can I submit multiple nominations?
 - a. Yes, however multiple nominations must be distinct, tailored to each category's criteria. Please make sure you are highlighting the key words in each nomination and be specific.
7. Are joint submissions between multiple companies encouraged?
 - a. Yes, the judges know this industry and know that it is likely that there is more than one company working on a project, so please include the companies that helped contribute.

8. What information do I need to collect before submitting a nomination?
 - a. The criteria for each category vary, but you will be asked to elaborate on your company's excellence in 5-7 specific areas.
9. How do I know if I qualify?
 - a. More than likely your company qualifies, but please contact us for category recommendations.
10. How do I submit a nomination?
 - a. Nomination must be submitted using the Online Nomination Process. Click on the category you are interested in, there you will find a link to the Online Nomination Survey. Nominations must be submitted by September 9, 2019.
11. Is supporting documentation mandatory? What type of documents should I submit?
 - a. No, and supporting material should only be provided if it helps enhance your nomination. Consider submitting financial reports, press releases, videos, media coverage, educational brochures, photos, etc.
12. What if I need more than 300 words for each criteria explanation?
 - a. The system only allows 300 words, so we recommend editing your response with only the key information. If you need to provide additional information, you can submit it as a supporting document.
13. Shouldn't someone else nominate my company?
 - a. Nearly all nominations are self-submitted because each company is best placed to provide the required information.
14. How many finalists are there per category?
 - a. The number of finalists varies for each category; however, the maximum number of finalists for any single categories is twelve.
15. When will I know if we've won?
 - a. Finalists will be announced September 24th, 2019 via www.globalenergyawards.com and press release.
16. Why does Platts do this?
 - a. The Awards are a way for Platts to recognize the industries we serve, bringing its luminaries together to celebrate another year's achievements.
