Lifetime Achievement Award

This award cuts across all classifications and criteria in an effort to recognize a legendary figure in the world of energy. The winner could be an outstanding business leader, politician, regulator, academic, community activist, economist, investor, engineer, trading or financial manager or technology specialist— anyone who has made an outstanding contribution to the development and future of the energy industry as a whole in the course of his or her career.

The winner's achievements will reflect a long and varied career of service, creativity and insight. This individual will have won widespread recognition and respect on the global stage.
